Adjustable Former

Available for variable size bag machine models 5 and 7

The H.G. Weber Adjustable Former provides flexibility and cost savings.

- ◆ Save money—Fixed size formers for each face width are no longer required
- ◆ Save time—Convert the bag face width your customer requires without waiting for the new former to be manufactured
- ◆ Easier for one person to do changeover
- ◆ Reduced setup time

Special sizes may be available. Contact the H.G. Weber Service Department at 920-894-2342 with your specific needs.
